## SHOW OVERVIEW 2008

This year, the **International Machinery Exhibition of Garment & Textile Technology** served as a promising platform for foreign entrepreneurs, international tradesmen & diplomats, leading local and international textile related associations to develop mutual business relationships.

The exhibition being a source of business expansion provided a complete showcase of technology products related to textile sector along with opportunity for exchange of knowledge to its participants from all over the world.

## Inaugural Ceremony

The exhibition was inaugurated by **Mrs. Nasreen Jalil**, Deputy Mayor, City District Government, Karachi. The ceremony was also graced by **Mr. M. Idrees Ahmed**, Textile Commissioner, **Mr. Shamim Ahmed Shamsi**, President, Karachi Chamber of Commerce & Industries (KCCI) and **Mr. Kamran Y. Mirza**, Chairman, Export Processing Zones Authority (EPZA).

## Symposium

The show successfully incorporated a two-day **“Technical Textiles Symposium”** organised by the Textile Institute of Pakistan (TIP). The symposium was well attended by over 300 participants, addressed by prominent speakers from renowned research and development universities of U.K., Turkey & Pakistan highlighting new horizons of business and investment opportunities for the local manufacturers in the competing value added textile exports.

## Show Highlights

- o Participation of 179 leading names from the world's garment and textile technology sector, including 126 foreign and 53 local exhibitors
- o The technology showcase was spread over a Gross Area of 3,000 sqm
- o Representation of 22 countries with the participation from Belgium, Canada, China, Czech Republic, Germany, Hong Kong, India, Indonesia, Iran, Italy, Japan, Korea, Malaysia, Pakistan, Singapore, Spain, Switzerland, Taiwan, Turkey, U.A.E., U.K. & U.S.A.
- o More than 8,000 business professionals from the related industries attended the event

## Media Coverage

The event was extensively covered through leading satellite channels with 29 local and international newspapers/publications.

## Research and Innovation

Many actively working textile universities/institutes displayed their research projects with the latest innovations and developments to cater the local textile industry facing new trend and challenges.

## Business Opportunity

The exhibition successfully demonstrated latest technology for textile and garment manufacturers and distributors. Many buyers from leading textile cities of Pakistan attended the exhibition and signed several MoUs with the exhibitors. A number of deals were also made between the exhibitors and buyers during the show.
